NORTHERN LIGHTS QUARTET TO PRESENT CONCERT SATURDAY EVENING

The Northern Lights Quartet will present a concert of gospel music at the Telstar High School Auditorium, Saturday evening, May 8, at 8 o'clock. This group has sung throughout New England in high schools, churches, and in public concerts. They now appear each Sunday morning on the Bible Speaks T V program on Channel 8 at 7:45 to 8:15.

Anyone who likes quartet music should not miss this fine talented group. They have made several recordings and are acclaimed by many to be the best group singing gospel music in New England. They have sung in concert with the Exvoys and other nationally known quartets.

They are being sponsored by the Bethel Gospel Center. There is no charge for admission. A free will offering will be taken.

GYMNASTICS DEMONSTRATION AT TELSTAR MAY 8

There will be a gymnastics demonstration Saturday May 8 at Telstar Regional High School. Following the demonstration, which begins at 9:30, the gymnastics club members will conduct a clinic for any interested fourth, fifth or sixth grade students. Boys and girls who plan to be active in the clinic should have activity clothes which include shorts, T-shirt, and sneakers. The program, which will end at noon, is open free of charge to the public.

TELSTAR MUSIC DEPARTMENT TO PRESENT SPRING CONCERT

The Music Department of Telstar Regional High School will present its annual spring concert on Friday, May 14, at 8:00 in the Telstar Auditorium. The performing groups will be the Mixed Chorus, Junior Band, and Senior Band. The program will include Pop, Semi-classical, and Show music. Donations for the Music Fund will be accepted at the door.

Friends of Rev. Donald Hess will be interested to know that he is director of personnel at the University of Rochester, Rochester, N. Y.

PTF "FAMILY NIGHT FAIR" IS SUCCESS — TO SPONSOR CHILDREN'S THEATRE 22

Approximately 300 people attended the supper and more activities of the "Family Night Fair," making last Friday evening an overall success.

Many people worked to make this event possible, and their names are too numerous to mention. Special thanks go to Mrs. Hilda Brown, Barbara James and the supper committee, Saga Food for donating the cake, local businesses for the door prizes, the Telstar Girls Athletic Association, Mrs. Malcolm Gould Sr., Keith Davis, Bill Luxton, and the teachers who helped in various ways.

The PTF meets on May 18 for its final meeting. It is hoped that a slate of officers can be prepared for next year. Anyone willing to serve should call Mrs. Thomas Carter, 824-2620.

On Sunday, May 23, the PTF will sponsor the Children's Theatre production of "Winnie the Pooh," to be held at William Bingham Auditorium at 2 p. m. Tickets will be sold at the schools and at Clukey's Pharmacy beginning next week.

COMMENTS FROM THE OFFICE OF THE TOWN MANAGER

The Highway Dept. is making progress cleaning up after a long winter. They are finding the usual collection of rubbish that has been discarded along the roadways plus an unusual amount of debris resulting from snowplowing.

The old automobiles abandoned along the roadways are becoming very unsightly again. This seems to be a continuing problem as we just get them removed when others appear. One interesting solution some municipalities are using is to tax them as personal property. This apparently is quite successful.

Although there has been no organized Spring Clean-up this year, the Highway Dept. has hauled rubbish for individuals provided it was at the roadside. If a person has material they wish to dispose of and it is not picked up, they may call either the town office or garage and a truck will stop when it is in the area. We have found when we have set specific dates to gather the material either the weather was bad so people could not gather their rubbish or there have been other reasons the project was not successful.

EVANS NOTCH RANGER DIST. TO HOST SPRING FIELD SESSION OF W. ME. FOREST FORUM

The Evans Notch Ranger District of the White Mountain National Forest has announced that it will host the annual spring field session of the Western Maine Forest Forum on May 17.

Approximately 60 individuals interested in forestry will attend a program scheduled in and around Bethel. The U. S. Forest Service will have an open house at its facilities in Bethel. A tour will visit several Forest Service projects to demonstrate and discuss multiple use management on the National Forest.

A dinner is planned for the group at the American Legion home on Vernon Street in Bethel. The guest speaker will be Robert Tyrrell, Forest Supervisor of the White Mountain National Forest. He will also discuss National Forest management.

Mrs. Gertrude Stevens of Damariscotta is visiting friends in Bethel today (Thursday).

DISTRICT 44 DIRECTORS HOLD REGULAR MEETING MONDAY

The board of directors of S. A. D. 44 held a regular meeting on Monday evening of this week in the Lecture Hall at Telstar Regional High School.

Milton Mills, of Woodstock, chairman of the Building and Grounds Committee, reported that the estimate for the damage incurred by the vandalism at Crescent Park and Ethel Bisbee Schools in early April has been tallied to a tentative figure of \$6,565, and at this time the only known loss is the \$100 deductible in this insurance coverage, and glass damage. Comment was also made that insurance premiums will be up about 30%, and that this will have to be considered when preparing the 1972 budget.

Mr. Mills further reported that the wall in the boiler room at Crescent Park School will be worked on this week, that the committee had discussed using the upper athletic fields at Crescent Park for high school softball and baseball. If these fields are used, minor fill and repairs will be required.

With regard to completing the upper athletic field at Telstar, it was noted that the U. S. Department of Agriculture, Soil Conservation Service, is available to assist. The board decided to avail themselves of this service, if no cost was involved.

The directors accepted with regret the resignation of Mrs. Mollie Bryant, of the Telstar English Department. She has served as department chairman since coming to the school last fall.

The following staff nominations for the 1971-72 school year were approved: Miss Shirley Merrill to teach grade 3, Ethel Bisbee School; Mrs. Frances Guntler, English Department chairman, Telstar; Paul Hille, literary adviser, school newspaper, Telstar; Charles Taylor, varsity basketball coach, Telstar; Lawrence Arsenault, Science Department chairman, Telstar; Peter Brown, baseball coach, Telstar; Richard McCann and Ralph Niemi of the Telstar staff, were approved as driver education instructors for the 1971 summer program.

Miss Merrill is from Harrison and will graduate from the U. of M. at Farmington this spring. She has done student teaching at the Ethel Bisbee School. Mrs. Carolyn Balch currently teaching the grade 3 division.

BUTLER RETIRES AT BETHEL INN

Guy P. Butler of Bethel has resigned as Executive Director and Assistant Treasurer of the Bethel Inn Company according to an announcement made this week by Halsey Smith of Portland, President of the hotel company, a wholly-owned subsidiary of Gould Academy.

Mr. and Mrs. Butler plan to spend the summer at their cottage on Songo Pond and their winters in Florida as they have for the past few years.

In making this announcement, Mr. Smith recalled that Mr. Butler owned and operated the Inn during the twelve years prior to its purchase by the Trustees of Gould Academy in December 1960 at which time he agreed to continue in an advisory capacity to the new corporation for a limited period of time. It is Mr. Butler's opinion, now, that his services are no longer required with the Inn under the capable direction of Blaine D. Moores who has been its General Manager since November 1967.

Many of Mr. Butler's friends will recall that he played a major part in the organization of the Bethel Area Development Corporation and in the financing of the Sunday River Skiway Corporation during the early years of his sojourn in Bethel. He was also an active member of the Bethel Chamber of Commerce and participated in many other worthwhile community projects. Before coming to Bethel, he served as Executive Manager of the State of Maine Publicity Bureau in Portland for fifteen years.

AUTHOR TO SPEND WEEK AT GOULD STARTING MAY 7

Peter S. Beagle, author of "The Last Unicorn," "A Fine and Private Place," and "I See By My Gull's Eye" will pay a return visit to Gould Academy for a week, beginning May 7. Mr. Beagle will visit the classes in Creative Writing and Fantasy as well as give readings from his own works and sing songs of his own composition.

Week end guests of Mr. and Mrs. Walter Saunders were Pat Saunders, Eliza Burns of Stephentown, N. Y., Elaine Guthrie of Lenox, Pa. all of Chamberlain School of Retailing in Boston.

If one knows Grady and walks down the bridge he will find a little shelter a love grandmother, and May 7 she celebrated.

Edla W. Lihm, Tamarland was born in Buonar, Ky., 1891 in Paris, La.

She came to America years ago but enough to earn her to return to her. She came again in here since.

She has four brothers and one last known. An only sister, Michigan until her 4.

Home to Edla is on earth. The most sharply against the her comfortable old ahead shuttle the robes walk her jaw and flower, memorial daylight fades are.

GREENWOOD CITY

Mrs. Colista Morgan, Corres.
If one knows Greenwood City well and walks down the road past the bridge he will find a cozy little home. It shelters a lovely lady, mother, grandmother, and neighbor to all. On May 7 she celebrates her 76th birthday.

Edla W. Lhmelina Laaksonen Tamlander was born May 7, 1895, at Buonan, Kyla, Lapin Pitaja, Tuusula Parish, Finland. She came to America at about 14 years of age but stayed only long enough to earn the price of a ticket to return to her home in Finland. She came again in 1922 and lived here since.

Edla Tamlander

She has four brothers in Finland and one last known to be in Canada. An only sister, Alno, lived in Michigan until her death recently.

Home to Edla is the dearest spot on earth. The mountains printed sharply against the sky, the pond, her comfortable old house, where overhead shuttle the swallows, and robins walk her lawn, every shrub and flower, memorable sunsets when daylight fades are precious to her. Her devotion to her children, Helen Heath, Norway, and Lempi Cyr, West Paris, and her grandchildren is heart warming to note.

One could easily be tempted to stop for a time for you are greeted with a smile and nearly always there is the smell of home made bread, nisse, for cooking is her hobby and sharing it is a symbol of friendliness, for neighbor or child, old time friendliness.

Another hobby is house plants. There is proof from the blossoms within her windows.

Children love her for her interest in their problems or joys. Her lap has held many with hands gentle and tender as she rocked and hummed a song in her rocking chair.

Alone now since her husband's death, the yesterdays with all their endearing memories come tumbling back to her and take her right to the places she knew. There were the lumber camps where she cooked for as many as eighty men. Here in this camp where the wood stove was so neat, excited sparks flew up and out, bringing forth the cheery heat. The magic in the wood-box she surely understood; for she

sorted with experienced fingers each different kind of wood. She chose what would brown the biscuits or make cakes rise up high, or the kind to keep a steady heat as clothes hung near to dry.

Perhaps her treasure-house holds some quite trivial things: the kerosene lamp, a hammock hung between trees in a shady spot, or buggies still propelled by horse power.

In her home kitchen, a cozy place, with warmth and cheer, memories speak of the family who liked to gather there.

When she was able she enjoyed her vegetable garden. Another spot, a rainbow place, old fashioned flowers in bloom; rose bushes and petunias were heavy with perfume.

These and many more added together has made a busy and helpful 76. Now her many friends and neighbors wish her the happiest of birthdays as we think of her in these words by Edna Jacques.

"She wears a starched red cotton dress

An apron trimmed with lace
Soft hair that makes a sort of frame

Around her quiet face.
A heart at peace with all the world,

Content with simple things
She holds within her quiet rooms
The best that heaven brings."

Roland Hayes has finished his work in Portland.

Aznie Mills, Shapleigh, spent the week end with her sister, Mrs. Clyde Morgan.

Several from here attended the variety show "A Spring Fling" at the West Paris gym Saturday evening.

Mr. and Mrs. Kenneth W. Curtis and son from Ohio were at the home of his parents, Mr. and Mrs. Fred Curtis for the week end and attended the wedding of his brother, Galen Carl.

Mrs. Ellen Walsanen, Warren, called on several people in town on Wednesday. She lived here years ago.

Miss Mildred Bowman, Hebron, is visiting Mrs. Dorothy Curtis.

Albert Curtis is on a trip to Alaska.

Norman Perham, Woodstock, was at his camp here recently. Mr. and Mrs. Fred Curtis and family, Mr. and Mrs. Frank Curtis, Mr. and Mrs. Walter Curtis and family, Mrs. Marie Curtis, Mrs. Annie Mills, Mrs. Colista Morgan, attended the wedding of Galen Carl Curtis and Betty Harney at West Mills on Saturday afternoon.

Visitors at Mrs. Norman Millett's this week were Jean Ring and son, Bobby Palmer, Elaine Emery, Charles Coffin, Mr. and Mrs. Wayne Penley and son, West Paris, Mrs. Barbara Wilson, Locke Mills.

UPTON

Mrs. Arline Bernier, Corres.
Jay Willard of Bethel has purchased the camp of Alfred Barsak and was in town over the week end.

Alex Lacombe went to the St. Louis Hospital in Berlin last week following several days illness. He was discharged and came home

Monday. The Cheery Card list ended last week but this is a P. S. Please send Sir Alex and Lady Mary some cheery messages during the week of May 6th.

Larry Wade of Dover, Mass., was in town over the week end.

Several people were up with snow machines last week end. Hopefully, this is the last week end they can

be run until another season—The fields, at least, are getting quite bare.

Thomas Lozier of New Hampshire and Rev. Robert Haldane of South Portland, both former pastors in the area, visited in town recently.

Someone tried to drive off with a Chevrolet belonging to Roland Bernier but got stuck in the driveway. They took up some of the flooring from his garage to jack up the car and get out, but abandoned it. The Spring Festival is scheduled for Thursday, May 6 at Errol school.

Hank Tuominen of Cape Cod was at his camp over the week end.

Fred Judkins went to the wedding of his niece, Doty Swan, in Locke Mills.

A few smelters have been going through. One evening there were more than a few.

Lester Enman of East Sumner called on Leslie Fuller one day last week.

Church service was well-attended with people from Upton, Newry, Errol and Pittsburg, N. H. Next Sunday the service will be held in the evening as Rev. DeBoer will be in Washington, D. C., with a group of Christians petitioning the Federal Government to rescind the Supreme

BRYANT POND

Mrs. Alice F. Hoyl, Corres.

Franklin Grange met Monday evening with the following program: Song, Mother Machree; Mothers (reading), Verna Swan; Skit, Ellis Davis and Olive Davis; Mother's Day Contest with words: Jokes, Ruth Emery, Evelyn Bean, Harris Hathaway; Clothing Thought, "All I am or ever hope to be I owe to my mother." Next four-point meeting will be May 20 at West Paris, with West Paris serving the supper, Round Mt. to fill the chairs, Pleasant Valley to give the program, Franklin Grange is visiting.

Arthur Verrill, formerly of Bryant Pond, a graduate from Gould Academy, after several years in the service, is attending DeVry Technological Institute, Chicago, Ill., studying electrical engineering. He will graduate in May as valedictorian of his class.

Thirteen Head Start children and volunteers visited Westbrook College Tuesday to have the children's teeth cleaned and fluoride treatment.

Court ruling that outlawed Bible readings in the classrooms.

Permanent peace can be achieved,
according to the Bible Lesson Ser-
vice to be read Sunday at Christian
Science church services.
"God fashions all things, after His
own likeness. Life is reflected in ex-
istence. Truth is truthfulness. God is
goodness, which imparts their own
peace and permanence." This cita-
tion from "Science and Health with
Key to the Scriptures" by Mary
Baker Eddy is from the Lesson Ser-
vice on "Admiration and Praise."
These words of the Apostle Paul
will also be read: "Let us therefore
offer one another the fragrance which
is peace, and which is the love of
God." (Romans 12:10)
Persons are invited to attend the
First Church of Christ, Scientist.

NARCOTICS AND YOU

This is the first in a series of ar-
ticles prepared by Richard McCann,
Drug Counselor at Telstar Regional
High School.

Many area adults and students
have contacted me in regard to our
drug problem. I realize, perhaps
more than many of you, the mag-
nitude of the problem, and I share
your concern. Unfortunately there
are no easy answers or instant re-
medies. Without the details of spe-
cific problems, I can give few spe-
cific answers or suggestions. I will
attempt to make a few general ob-
servations with the hope that they
may be of help to you.

What is a Drug?
A drug is a substance which by
its chemical nature changes the
structure or function of the living
being. Such substances have been
used since the time of early man
to relieve pain, avoid problems, or
to enjoy a "high". In recent years
the drug-taking fad has increased
among people of all ages. The public
has become alarmed, and various
scare tactics, many because of mis-
information, have been unsucces-
ful. Let us look at a few FACTS.

Drugs are not terrible and not won-
derful; depending on their use,
they are both a boon and a bane
to mankind.
Many adults refuse to admit that
they may be "hooked" to some de-
gree on various drugs, all the while
condemning the younger generation
for its use of them. Caffeine, aspirin,
quinine, novocaine, cortisone,
digitals, alcohol, and Vitamin C
are drugs by definition; yet many of
us do not treat them as such.
(Believe it or not, one can become
addicted to coffee or cola!)

Generally speaking, drugs can do
one of two things. They can stimu-
late or speed up various body func-
tions, or they can depress or slow
them down. Well-known stimulants
include: caffeine, nicotine, cocaine,
and amphetamines. Depressants in-
clude: barbiturates, alcohol, opiates,
and tranquilizers.

In succeeding articles, I will ex-
amine various types of drugs, their
effects, some of the reasons behind
the abuse of those drugs, and how
to deal with those who are experi-
menting or "hooked".

RUNNING AMUCK

with Sandra M. Dunham

One has not lived until one has
made a belly slide into "third base"
in a pasture. It is to your advan-
tage if cattle have not been grazing
in the area. Pasture Baseball Ses-
sion, affectionately called PBS, made
its debut for 1971 two weeks ago,
as it does every year during April
school vacation. PBS also stands for
pummeling, brawling and scenes. On
my first outing, I not only slid into
third base, but over third base, com-
ing to a rest under the clothe-line
WITH third base. The cattle grazed
early this year. It is wiser if one
does not slide into first base as it
consists of your choice of 6 rocks—
assorted sizes, but equally hard. The
object of school vacations, I have al-
ways believed, is to prepare par-
ents for Summer. I always emerge
feeling like a combination of Clara
Barton, the Galloping Gourmet and
Rico Petrocelli. Neither am I over-
ly enthusiastic bearing "Puff, the
Magic Dragon" rendered with zest
at 5:30 a. m. when I drag four pairs
of feet down the stairs on a school
morning. My blood pressure rises
and falls to coincide with the At-
lantic tide. On the fourth day of
vacation, my young son brought to
me: one slashed thumb, two loose
teeth, three salamanders and a
smashed kite from the apple tree.
Moving at this time, by instinct
alone, I whipped with a professional
flourish, missed a bleeding thumb
and slapped a Johnson and Johnson
gauze pad on a cheese soufflé. The
vacation is over. PBS has just be-
gun. Remind me to check the bases.

Venus rises an hour before the
sun. At mid-month it has a 12" disk
(in diameter) and is nearly 90% il-
luminated.

Mars rises in the southeast within
an hour of midnight and is close
to the meridian by sun-up. Mars for
the next three months more than
doubles in brightness.

Uranus is near the meridian at
twilight ends and is easily seen
with binoculars, and shows a 3.9
disk in a telescope.

Neptune can be seen near Jup-
iter around the 20th with a disk
showing 2.5 across. — Your Sky Re-
porter, Harold Smith.

TELSTAR R. H. S. NEWS

STUDENT COUNCIL ELECTIONS
The time has come when elections are being planned for the purpose of electing next year's members of the student council. For this reason, this article is for the students and is directed at them.

The assembly which was held last Friday was hopefully a success. If you the students are beginning to realize that the student council is for you and that you're the ones who have to make the council work, then maybe it was.

Over the past year many students, if not all of you, became very apathetic, which never helped. The student council wants students who are willing to work and get involved in the school around them.

Perhaps the best way to say what the council would like for students is to say what we are not looking for. We don't want people who are looking for a status symbol, we don't want people who are only concerned with their own ideas, or who look out for their own interests, we don't want students who are not willing to get involved and afraid to work. We do want the students who will do the best job.

The most important thing to do is to take the elections seriously. This is for everyone, the people who are running for the council and especially for those of you who will be doing the voting. Find out what the candidates are going to do for you, talk with the students and find out how they feel, really get to work and elect people who are going to do the best work for you. After all it is the STUDENT Council, let's make it better. — Paula Wight

S. A. D. 4 DIRECTORS

continued from Page One
 at the Bishop School, has requested transfer to a vacant grade 4 position.

Robert J. Gerardi, superintendent, asked Brian G. Flynn, Telstar acting principal, for his assistance concerning the secondary program for the 1971-72 year. Mr. Flynn's status must follow.

"At the request of Mr. Gerardi I am submitting these comments which are concerned with our secondary program for the 1971-72 school year. Before I do this it seems important to give an overview of my impressions and observations. While the philosophy is excellent, it has not necessarily represented the desires of the community, and in my opinion the schools should reflect the values of the community. An Assistant Principal I was directly responsible to the Principal and attempted to improve the goals and objectives. As Acting Principal I am continuing to carry out the objectives of my predecessor.

"As Principal I have since defined the vision of the direction in which we should be going. This direction is predicated on the community needs as indicated by all levels of interest. It is a vision that and it is an attempt to establish an equal balance between the ideal and the practical.

"Great emphasis will be placed on a cooperative approach to problem solving, with a special effort made to perpetuate the concepts of the flexible modular schedule, individualized instruction, independent study, team-teaching, large and small group instruction and the addition of an inter-disciplinary approach.

"I wish to make it clear that I am in support of the modern innovative practices that we have here at Telstar and will give them my full support in the future. To return to a traditional senior high school program would be an obvious regression and complete reversal of the concept upon which Telstar is based. It would also seriously hamper our chances for accreditation.

"I will, however, continue our current educational practices to search of ways to improve our teaching, technology, resources, greater efficiencies, and promote a deeper commitment to the accountability principle by pupils, teachers and administrators.

Discussion was held concerning the comprehensive collective negotiations agreement between the MSAD 44 Education Association and the Telstar teachers. A special meeting for their action on the document will be held in the Telstar Hall at Telstar next Monday evening at 7:30. Also to be discussed are negotiations with non-certified employees and administrators.

The board approved application for \$10,000 under Title II, ESEA, and \$14,000 for CAD 44 and \$10,000 for CAD under Title I. Also approved was the final reading of a policy concerning regulations for the use of school facilities by other groups.

Mr. Gerardi read a letter from Mrs. Sue H. of Bethel, to the directors, concerning the role of the board of directors, CAD 44 goals and cooperation between the school and the community. Mr. Gerardi was

SINGERS AT BRYANT POND

Displaying a youthful flair and enthusiasm, the LaTourneau Singers will appear at the Bryant Pond Baptist Church on Sunday, May 9, at 10:30 a. m. The public is invited. No admission charged.

The program to be presented includes a wide variety of sacred music that crosses the barriers of age and varying musical tastes. Five musicians comprise the group: Nancy Jasper, soprano, Bryant Center, Mich.; Janis Miner, alto, Paradise Valley, Ariz.; Jim Alban, second tenor, Baltimore, Md.; Rick Brockmeier, bass, Berkeley, Mo.; and Malcolm McLaughlin, pianist, Paris, Ill.

Located in Longview, Tex., LaTourneau College, is a four-year Christian educational college of engineering, technology, liberal arts and sciences, missionary and flight program. Founded by Mr. and Mrs. R. G. LaTourneau as a technical institute in 1946, it became a four-year college in 1962, and has a current enrollment of 775 students.

THE KEY TO A GOOD LAWN IS

PROPER FERTILIZING

That's why TURF BUILDER is America's favorite lawn fertilizer. Turf Builder is made by Scott's exclusive Trionized process which enables it to release its nutrients only as the grass needs them. There's no surge growth to cause extra mowing, and there's no wasteful over-feeding or nutrient loss from leaching. Just a thicker, greener, sturdier lawn. Spread Turf Builder on your lawn this weekend, and see for yourself.
